Dear Graduate,

It is my honor to congratulate each of you for reaching this significant milestone in your life. Graduation is more than the culmination of years of hard work; it is a testament to the resilience, determination, and growth you have demonstrated along the way. Your educational journey thus far has proven that with perseverance, adaptability, and a genuine hunger for learning, you can achieve great things.

As you begin the next chapter of your life, remember the lessons you have learned about respect, diligence, and collaboration with others. Remember that the world is full of opportunities to make a difference, and that your generation has the power to shape it in ways we can only begin to imagine. Never stop learning! Never stop aspiring to be the best version of yourself that you can be. And never forget the power we all possess to make a difference.

Congratulations, Class of 2025!

*Laurie W. Newell, PhD
