Recommendation/Resolution:

**Whereas**, in accordance with ordinary business practices, many contracts to which the school district is a party require payment within 30-60 days of submission of invoice and voucher; and

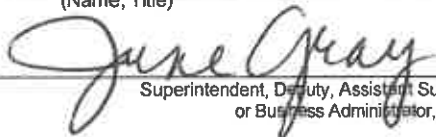

**Whereas**, at certain times during the year, an extended period of time occurs between the regularly scheduled Board of Education meetings; and

**Whereas**, such discrepancy between contracted payment schedules and the calendar of board meetings creates an untenable position for the district which exposes it to liability and may cause hardship for affected vendors; now therefore

**Be It Resolved**, that in the event there exists an extended period of time between regularly scheduled Board action meetings during the 2025-2026 school year, the Superintendent is authorized to approve any and all invoices (not in excess of \$100,000.00 individually), with the exception of health benefits, leases, charters schools, early childhood and utilities for payment. In accordance with Board policy 6470 (Payment of Claims). Only in the event a special board meeting cannot be scheduled, when there exists a period of time exceeding thirty (30) calendar days between regularly scheduled board action meetings, during the 2025-2026 school year, and after consultation with the Board President; and

**Be It Further Resolved**, that a separate bills list with all claims that have been approved by the Superintendent will be presented to the Board at the next regularly scheduled Board meeting for ratification.
